MEMORANDUM FOR THE RECORD

SUBJECT: [redacted]

25X1

[redacted]

25X1

2. Discussions at [redacted] were concerned mainly with new work for [redacted]. It was pointed out to [redacted] that no large work load was foreseen in the field of explosives with the exception of additional funds for the work under RD-88 Task Order 26 [redacted] and the fabrication of 2000 shaped charges. It was mentioned that inasmuch as there was no change in scope that no fee was authorized under Task Order 26.
